NEW YORK BAKERY,

The Senate Appropriation Committee, in the Legislative Executive and Judicial Appropriation bill, increase the Pacific Coast items as follows: San Francisco Mint, wages of workmen and adjusters, from \$225,000 to \$300,000, material and repairs, from \$75,000 to \$86,000; Carson Mint wages, from \$40,000 to \$100,000, materials and repairs, from \$25,000 to \$35,000. The salaries of heads and clerks of both these institutions are restored to their present pay. The number of clerks provided by the House is not increased except by adding one to the number of \$1,800 clerks in the San Francisco Mint. The House provision regarding daily wages is replaced by one which provides that they shall not exceed the wages paid on an average for similar service by private enterprise in the several localities where the Mints are situated. All salaries of Territorial Judges and executive officers are restored to their present standard. The following items were inserted: For the Surveyor General and clerks in California, \$23,000, in Oregon, \$7,500, Nevada, \$8,000, Washington Territory, \$7,500, Idaho, \$7,000, Montana, \$8,000, Utah, \$7,000, New Mexico, \$9,500, and Arizona, \$7,000. The House provision concerning melting and refining bullion for private parties is not changed.

OUR DEAD HEROES

To day the well kept ceremony of decorating the graves of the soldiers of the late war will take place. We know of no occasion of the whole year more worthy of remembrance, or of being honored by our whole people. The brave men who fell on the battle field, or died in the hospital, or may be, reached home in order to bivouac in the village cemetery, need no laurel wreath or eloquent oration to perpetuate their memories, yet, they were our sons, brothers or companions, and their sacrifices are forever enshrined in our hearts. Let us do them full homage as in years past, and guard their graves with the most dainty flowers of the field, the forest and the conservatory.

RAILROADS LANDS—The Central Pacific Railroad Company has made application for patents to 143,000 acres of lands within the Elko Land District the papers for which are now on file in the office of the Department in Washington, and will be acted upon at once. The Company has also applied for patents to the town site of Battle Mountain, Carlin, Elko and Humboldt Wells. That of Elko is expected to be issued about the middle of July, so we are informed upon the best of authority. As a number of persons have taken up lots in and around town, they had better look out, or they may have some difficulty with the Company in relation to their improvements.—*Elko Independent*

ITEMS IN GENERAL.

Mr. Hammond estimates his Washington conversions at 2,000.
One thousand men will be employed in the Consolidated Virginia mine this summer.
The site on which Cincinnati is built was sold for less than fifty acres dollars in 1787.
Bayard Taylor's Centennial ode will be read twenty minutes long in the reading of it.

Judge David Davis first yodled in Maryland, threw stones in Ohio and got rich in Illinois. Still he is not happy.
Rufin, who was expelled from the Virginia House for theft, has also been debarred from all the courts of the State.
The Centennial Commissioners have finally decided that neither the Exhibition nor the grounds shall be open on Sunday.

NEVADA COUNTY RE-UNION.

RENO, May 29, 1876.

ED JOURNAL.—I wrote you a letter from Glass Valley just before the picnic last Friday, and intended to give you further particulars of the event itself by the same mail, but when I found the amount of hand-shaking and enjoyment I had on hand I saw I could not find a minute to do anything of the kind. Upon my return I continue. The picnic was pre-eminently a success. The number in attendance is variously estimated at from six to ten thousand. Over six thousand railroad excursion tickets were sold for it. Be the number what it may it was without doubt the largest and most successful ever held in the county, embracing as it did, all the towns of the county, together with a great many old timers from all parts. I never witnessed such a scene before. It seemed like a huge family gathering. Here people met for the first time probably in twenty or twenty five years, and each had a story as long as the moral law to tell. A few had met with success, while the majority were still struggling hopefully on for better days to come, but each had a hearty welcome for the other. Not an accident occurred to mar the joy of the occasion. This is to be wondered at when the crowded condition of the narrow gauge cars is taken into account. Every inch of standing room in the four coaches and six flats was occupied, while many clung around the sides. A gentleman avers that he counted thirty seven on one platform. A free lunch was spread for all who wished to partake. I saw the immense amount of grub laid out on the ten long tables, and while I contrasted the quality of it with the pork and beans diet of '49, I wondered if there were wayfarers enough on the grounds to eat it all. In five minutes from the time the tables were declared ready for business there was not a scrap left. A large number carried lunches of their own, which were free to all who would partake. The universal feeling of friendship was noticeable in everything. Not a quarrel of any kind occurred. All the strands did a loud office business. At about four o'clock Judge Seals, of Nevada city, called the "old boys" together, and in a brief neat speech stated that a permanent organization was to be effected. Several happy speeches were made. E. G. Wate read a very appropriate and beautiful poem. Among the speakers we noted Rev. Mr. Warren, the first minister who ever preached in the county, E. W. Roberts, a locator of Rough and Ready, the oldest town in the county, and others. E. G. Wate President, and C. C. Leavitt, Secretary of the "Old Nevadans," then took charge of the meeting, and a permanent organization by electing an Executive Committee of thirteen prominent old timers, with Hon. Robt Watt as President and C. C. Leavitt Secretary. It was decided to hold annual reunions on the last Friday in May, and that the day be called "St. Nevada's day." Dining and the usual picnic games were in full blast all day. When they got home in the evening they were pretty well tired out, but a big ball given by the "C. S. C." demanded their attendance, and a hull full danced until five in the morning. The six Reno delegates had a grand time. Every one of us were old timers, and constantly met faces we had not seen for years. "Melanin Jeremiah Smith" was in his glory with a hunk of bread in one hand and a "gob" of ham in the other, talking to some ladies he had not seen for twenty years. With wore a plug hat and tried to do the grand for our party while strutting around with young ladies he used to carry in his arms when they were babies. Billy Caughlin found his hands full explaining to the people that he was that little curly headed, freckled faced boy who used to run bare footed in Nevada City fifteen years ago. Peyzer was so crazy that I could not keep track of him. Some belle had put a rose bud in his coat, and he—well I can't explain. Poor Nels Hammond will never smile again. He boasted he was the biggest man in the county, when an old timer from San Francisco challenged it. A trial showed that the San Franciscan pulled down 307 pounds, while Nels could only get away with 302. He wanted to take his valise and walk to Colfax on his way home, but an unpaid board bill prevented. The undersigned

had all he could do to keep straight, and come to think of it, I don't believe I did any great wonders in that direction. After the picnic was over we ran around and visited our many friends Saturday and Sunday and enjoyed this part of the "reunion" exceedingly. During our rounds we stepped into a photographic gallery and had a group picture taken, with Nels as a center figure. We expect to make Centennial money by exhibiting them at seven dollars a look. We managed to get together Sunday afternoon and amid "weeping and wailing and gnashing of teeth" to get aboard the little railroad and were soon speeding homeward. The trip was a grand success. We had just tons of fun and are ready for the next one. I could tell many more things about the country, railroad, etc., but will let it rest until some future time. J. W. M.

EASTERN DISPATCHES.

The Impeachment—Bribery.
NEW YORK, May 29.
A special from Washington says that the Senate has decided to take a vote to-morrow on the question of jurisdiction in the impeachment of Belknap. It will meet two hours earlier than usual, but it will possibly be late in the day when the vote will be taken. Then the Senate will proceed with the trial, in order that it may go on with a regular business. It has been suggested that it adjourn its sitting as a Court till after final adjournment. This meets with considerable favor, as it would enable the House to get away by mid Summer if not before, and leave the trial to the Senate, unhampered by other business.

Several days ago Mr. Luttrell asked for investigation by the Committee of Ways and Means of newspaper charges that the Pacific coast lobby expended \$300,000 in securing the passage through the House of the Hawaiian treaty. Yesterday he received the following dispatch from San Francisco:

"Your position is correct and sustained by all friends of the treaty here. Strict and prompt investigation will prove that this infamous business was started to damage the passage of the bill."
The telegram was signed by J. C. Merrill & Co., and other leading firms.

WESTERN DISPATCHES.

Arrests—Foot Race—Killed—Small-pox—Miscellaneous.
SAN FRANCISCO, May 29.

The usual Sunday rinds were made on the hoodlum element yesterday, by the police, and a good assortment of the short haired gentry were accordingly gathered in. Some dozen or so came up before the Police Judge this morning on charges of disturbing the peace, and received the customary dose.

The 100 yard foot race between Johnson of Truckee and Jackson of the Georgia Minstrels, which was to have been run yesterday, was a fiasco. Both runners were on the ground and ready, but stutler gave the word too quickly. Johnson took advantage of the other, ran the distance, claimed the stakes, but did not get them, and the affair ended in a windy row.

A Chinaman named Ah Sim, who works in the Woolen Mills, in attempting to get off a car on Folsom street while it was in motion, fell under the wheels. His left leg was crushed to a jelly. He was taken to the City Prison Hospital, where the leg was amputated. He died at 11 o'clock last night.

Eighteen cases of small-pox are on the rolls this morning, but his two cases which have proved fatal. No new case has been reported within the past twenty four hours.

Another raid was made by the police on the tan games last night. Eleven Chinamen were captured, and they were convicted and fined in the Police Court to day.

The city is to be divided into four Postal Districts, with sub-offices in the suburbs.

The Enreka Consolidated Mining Company has levied an assessment of one dollar per share.

An assessment of 25 cents per share has been levied upon the capi-

tal stock of the Pierson Mining Company.

To-day the sub-Committees of the Fourth of July began canvassing the city for funds to carry on the Centennial celebration.

A silver brick presented by John W. Mackay to liquidate the debt of the addition to the free schools of the San Francisco Presentation Convent, corner of Taylor and Ellis streets, is now on exhibition at J. W. Tucker's establishment, 131 Kearny street.

Decoration day will be in a great measure observed as a holiday. The banks will be closed and most of the business houses will suspend for the day. A procession will take place to the cemetery at Lone Mountain, escorted by the Second Infantry, under the command of Col. Savage. Addresses will be delivered.

Grave charges are made against the Prosecuting Attorney of the Police Court, Noah Flood, alleging collusion with gamblers to defeat the ends of justice in its efforts to suppress their calling. The efforts of the Chief of Police and his subordinates to put a stop to gambling, it is represented, are neutralized by the conduct of the Prosecuting Attorney.

A notice has been received by the President of one of the Chinese companies, by him handed to the Chief of Police, dated "Headquarters, San Francisco Anti Coolie Society, May 17," stating that "for the purpose of abolishing Chinese immigration and the clearing of the city and State of coolie population, unless a system of immigration is in full force within twenty-one days from date, and a sufficient number of coolies shipped from this port to satisfy us of your intentions to clear this city of the same, it is our most decided intention to clear the same by force or arms."

Judge Davis, of the Supreme Court of the United States, is having 1,776 white oak trees set around his residence at Bloomington, Illinois, all on account of the Centennial.

GOLDEN FLEECE GOLD AND SILVER MINING CO. Principal place of business Reno, Washoe county, Nevada. Location of works, Peavine Mining District, Washoe county, Nevada.
Notice is hereby given that at a meeting of the Board of Trustees of said company held on the 29th day of May, A. D. 1876, an assessment (No. 11) of 10 cents per share, was levied upon the capital stock of the corporation payable immediately in United States gold coin, to the Secretary of the company, Reno, Nevada. Any stock upon which said assessment shall remain unpaid on the 29th day of June, A. D. 1876 will be deemed delinquent and a public sale of the same, together with costs or advertising and expenses of sale, will be held on Saturday the 29th day of July 1876, to pay for the delinquent assessment together with costs or advertising and expenses of sale.

THER AT LARGE.—It is now and has been for a good while past, of almost daily occurrence to record the robbing of somebody's person or premises. Last Sunday evening while Mrs. Golden was at church, a thief entered her house through the back door by means of a key manufactured expressly for the purpose, and not being an adept at the trade did not succeed in getting out of the house before her return. When she came home, about 9 o'clock, she thought that the smell of matches was very prevalent in the room, and while she was trying to discover the cause, a man crawled out from under the bed. She immediately gave the alarm and in about five minutes there was a large crowd of men on hand. They succeeded in catching a glimpse of the robber, but that was all, and several of the men are sure they can identify him if he is captured. There was a very strong feeling existing in that crowd as regards about 20 feet of good strong rope, and there is no doubt if they had succeeded in catching their man, that he would either have been hung or whipped to within an inch of his life. The officers were after him at last accounts. The thief got away with twenty-five dollars.

ROLL OF HONOR.—The following are the names of those pupils in the Reno Grammar School that were not absent or tardy during the month ending April 25th: Flora Northrop, Edward Barber, Eddie Coffin, Francis Grippin, Rebecca Frederick, Blanch Leonard, Clarence Chrisman, Henrietta Russack, Carrie Richardson, Mand Johnson, Rose Wilcox, Alfred Holladay. The following are the names of those whose standing in scholarship and deportment is from 90 to 100 per cent.: Mollie Grippin, 91; Louie Wicks, 90; Flora Northrop, 100; Emma Gibbs, 99; W. A. Marsh, 98; Wm. Lemmon, 96; Etie Lachman, 90; Allie Higgins, 99; Eddie Coffin, 96; Francis Grippin, 93; Josie Wintermantle, 99; Rebecca Frederick, 98; Blanch Leonard, 91; Clarence Chrisman, 90; Willie Knox, 92; Henrietta Russack, 97; Gertie Lippman, 98; Mary Marsh, 94; Carrie Richardson, 98; Mand Johnson, 100; Rose Wilcox, 98.

WASHED OUT.—A man crept into a fire box of a stationary engine which was being taken to California on No. 8 yesterday and shut the door behind him, supposing he was going to have a nice ride. The railroad boys here discovered him and decided to have some fun. A nozzle was put on the pump of No. 43 and pretty soon that man was deluged with water. He yelled lustily for them to desist and even brandished a dagger as a persuader. After they had all they wanted of the fun he was let out and walked away muttering vengeance.

DISTRICT COURT.—The case of Rager vs. Connor was concluded yesterday, the jury bringing in a verdict in favor of plaintiff, and assessing damages at one dollar. The above case occupied the Court all day.

NO STOCKS.—The San Francisco Stock Exchange Board will not hold any session to-day. They want to "decorate." Hence we shall have no stock quotations.

IMPORTANT TO TRAVELERS.—The General Superintendent of the Central Pacific Railroad has issued a circular to conductors and train baggagemasters directing that charges for the care of dogs, monkeys, etc., shall not exceed the local ticket rate between the point of starting and destination. The maximum charge for the whole length of the road must not exceed \$2.50. Such animals on the steamer must be taken charge of by the train baggagemaster. Guns taken apart and securely packed in wooden or leather cases, and canary birds in cages, not exceeding one cage to each passenger, may be carried by passengers in the sleeping or day cars without any charge therefor.

ALTA CON. MINING CO.—At a meeting of the stockholders of this company held in Carson last Saturday, Thomas H. Wells, G. A. Bradley, G. L. Porter, J. B. Ely, N. D. Chamberlain, Edward Martin and Fred Sterling were elected Trustees. The Directors elected Judge Wells President, J. B. Ely Secretary, and N. D. Chamberlain Treasurer. The Alta Consolidated mine is located, as most of our readers know, in Pyramid Lake Mining District, and the mine is situated about fifteen miles from Wadsworth. Most of the stock of the company is owned in Carson. The mine is represented as being worked in a scientific manner and looking well.

CUNNINGHAM'S STORE.—G. W. Cunningham has just received direct from New York a large and splendid assortment of pipes, consisting of genuine meerschaum, briar and apple wood, which he will sell, wholesale or retail, at less than San Francisco prices. Geo. also keeps constantly on hand a fine stock of family groceries, fresh fruit and vegetables, which he sells at the lowest market rates. Go and see for yourselves and be convinced. Goods delivered to all parts of town free of charge.

FORTUNATE DISCOVERY.—Last Sunday Al. Lyman discovered an old mattress on fire under Dyer's Hall. He quickly extinguished it, thereby preventing a very serious fire. A few minutes later and the dry frame building would have been destroyed and all the neighboring houses. People should be careful how they leave inflammable things around loosely. We have no theory to offer as to how it caught fire.

AND AGAIN.—But for the prompt action of No. 48 yesterday morning the devouring flames would have caused considerable damage to Judge Marshall's large frame building on Commercial Row, a defective stove pipe allowing sparks to fire the roof. The hand engine was soon on hand, and assisted in quenching the flames. The steamer was also got in readiness, but her services was not called into requisition.

STOVE PIPES.—Isn't it about time a committee of citizens made an examination of the stove pipes and flues in all the houses around town, having the same repaired, wherever found defective?

ROLL OF HONOR.—The following list comprises the names of those pupils belonging to the Reno Grammar School, who have not been absent or tardy, for the month ending May 19th: Flora Northrop, Eddie Barber, Clarence Chrisman, Eddie Winfrey, Eddie Coffin, Henrietta Russack, Mand Johnson, Alfred Holladay. In scholarship and deportment the following named deserve honorable mention. Mollie Grippin, 96; Flora Northrop, 100; Emma Gibbs, 98; W. A. Marsh, 95; Etie Lachman, 95; Allie Higgins, 94; Dorca Cantrell, 96; Eddie Coffin, 90; Francis Grippin, 93; Josie Wintermantle, 95; Rebecca Frederick, 93; Blanch Leonard, 93; Henrietta Russack, 96; Gertie Lippman, 96; Mary Marsh, 93; Carrie Richardson, 94; Mand Johnson, 97; Rose Wilcox, 98.

HIGH-TONED AFFAIR.—The party given by the Riverside Club at Dyer's Hall last night was one of the finest ever given in Reno. The ladies were very elaborate in dress, and the gentlemen attired in the latest style. Nearly all of the prominent lady and gentleman dancers of Reno were present. The music was furnished by Prof. Varney, and was superb.

SAD ACCIDENT.—S. Cook had his left hand cut off at the wrist by the circular saw at Mackay & Fair's lower mill on Sunday morning last. The limb was afterwards amputated, by the railroad surgeon, Dr. Bergman, assisted by Dr. Bishop, and the unfortunate sufferer is doing as well as could be expected.

NEW CARRIER.—Mr. Morris Bradley is now in charge of the town route of the JOURNAL, and authorized to collect for all subscriptions. He will be particular in his delivery, so that subscribers may have no cause for complaint. If anything goes wrong for the first few days just call his attention to the matter.

HORRIBLE.—We can truthfully say that the weather on Sunday was the most disagreeable we have ever known in this section. The wind blew a perfect hurricane all day long—the usual Washoe zephyr was as nothing in comparison—and clouds of dust enveloped the town and people. Horrible!

THERE is a lively strife going on between the Carsonites and Daytonites for the Columbian and Belleville trade. One is making a road with wind pipes, while Wadsworth stands back with folded arms and enjoys a hearty laugh, and the trade.

BEHIND TIME.—Both the overland and lightning express were several hours behind hand in arriving at Reno on Sunday last. A freight train got derailed at Cascade, on the Sierra, wrecking five or six cars, which necessarily caused the detention of the passenger trains.

GOLDEN FLEECE ASSESSMENT.—The Golden Fleece has levied an assessment of ten cents per share. See official notice in our advertising columns.

RESIGNED.—Mr. W. R. Chamberlain has tendered his resignation as Vice President of the State Agricultural Society. We hope the resignation will not be accepted.

LABORERS.—The Susanville Farmer reports that there is a scarcity of laborers in that section at present and quite a number of good men could find employment.

DON'T lose sight of the Methodist Seminary. If we do what we can as a town that institution will be ours.

ATTENTION is directed to an entry in our advertising columns.
